

Pupils e-safety agreement

Keeping me safe at home and at school

I will check with a grown up before using the internet.

I will tell a grown up if something I see makes me feel worried.

If I get stuck or lost on the internet I will ask for help.

I can write polite and friendly messages to people I know.

I will keep my personal information, my name, address, my school, my pictures "Top Secret" and not share it on an app or website.

I will not bring mobile phones or tablets to school.

I will only play video games that are suitable for my age.

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful way to achieve this.

Parent's Consent

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school and advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school.

I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials.

I will encourage my child to adopt safe use of the internet and digital technologies at home, including appropriately aged games and I will inform the school if I have concerns over my child's e-safety.

I understand that social media is not the place to criticise the school and the school has a complaints procedure in place which I should follow.

Please remember mobile phones are not allowed on the school premises for the taking and sharing of images and videos at school events.
