Total spend from 2016 - 2017 - **Transport** £1,210, **Coaching** £7,997.50, **Equipment** £1,798.26 **Total** £11,005.76

## **Sport Premium 2016-2017**

### ***What is Sport Premium?***

Sport Premium is an amount of money, which the government has agreed to allocate to schools for the academic year 2016-17. The funding amount schools receive, is based upon the number of children of primary age the school has, in January, of that year.

At Our Lady Star of the Sea RC Primary School we strive to promote healthy and active lifestyles and aim to provide sporting opportunities, for all our pupils.

In February 2016, Ofsted inspected the school and commented in their report on the use of the sport premium as follows: ' The primary sports funding is used effectively to develop teachers' skills in teaching physical education lessons and helping pupils to acquire competent sports skills. The school's analysis shows that spending has a positive effect on the proportion of pupils engaging in physical activity.'

**The total amount of funding received for 2016/17 is £8,410.**

**The objectives of the Primary PE and Sport Premium funding are:**

- The engagement of ALL pupils in regular physical activity – to kick-start healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils (within curriculum and extra-curricular)
- Increasing participation in competitive sport

### **Impact of 2016/2017 Sports Premium Funding**

The sport premium funding has impacted on our school in the following ways:

- Improved provision and support for PE and games in curriculum time
- Increased the number of after school clubs and attendance at them
- Increased whole school participation in sports and games events, festivals and competitions
- Ensured all pupils have an increased level of fitness, health and wellbeing
- Ensured all pupils engage in regular PE and sports lessons in line with the new national curriculum

## How the funding was used in 201617

- We invested in Easington's Schools' Sport Partnership Service Level Agreement
- Invested in the County Durham School Swimming SLA
- Provided curriculum support and high quality CPD for all staff.
- Provided high quality coaching support across a variety of sports.
- Provided a full organised annual programme of competitions/tournaments/festivals
- Supported teachers to broaden participation, inclusion and excellence opportunities.
- Gained the Sainsburys School Bronze Award.
- Provided funding for transportation to and from sporting events.
- Invested in equipment to provide varied and high quality sport provision.
- Provided a range of good quality, safe play equipment for lunchtimes and break times.
- SSP Network meetings to support PE Co-ordinators / PLTs in their role developing PE & sport within our school.
- Resourced a 'Healthy Eating Week' and International Day in school.

We attended the following events/festivals/tournaments

Y5/6 Tag Rugby  
Y5/6 Girls' Football  
Y5/6 Sportshall Athletics  
Y1/2 Football  
Y3/4 Football  
Y5/6 Basketball  
Dance Festival  
Mini Tennis  
Kwik Cricket

This year, children have taken part in 9 different sports, within school, including: football, tag rugby, tennis, athletics, skipping, dance, gymnastics, judo, swimming and basketball. With the support of SSP, we have introduced the 'Playground Leaders' scheme which encourages the older pupils to engage with the younger children.

The school introduced two new sports to the curriculum this year; basketball and tag rugby.

## **Impact**

As a result of Easington Schools' Sport Partnership provision, pupils have had the opportunity to receive high quality coaching and access a wide variety of sports, often leading to festivals and competitions locally. It has also resulted in increased enthusiasm and engagement, improved fitness levels, and a willingness to take part in other clubs. Four of our Y3/4 boys have joined local clubs. From 16 pupils leaving our school in Summer 2016, 87.5% achieved at least 25 metres in swimming.

## **After School Clubs**

These have included: dance, football, multi-skills, tennis, fencing and gymnastics. Club coordinators and class teachers report raised confidence and self-esteem, improved skills and fitness levels and increased levels of team work, cooperation and fair play. They also reported improved levels of resilience and determination in 'non-sporty' pupils.

## **Links to local sports clubs**

This year, we have links with:

Horden and Peterlee Rugby Club

Horden Cricket Club

Destination Judo

## **Living Streets – Walk to School**

We are committed to encouraging children to walk to school with the aim of increasing the amount of physical activity children undertake, encouraging a culture of exercise, opposed to lethargy and using a car for unnecessary distances, and creating an eco-method of travelling to school. Currently 50% of pupils walk to school at least 1 day every week.

## **Plans for Sports Premium 2017/2018**

- ❖ Ensure all staff are planning a progressive PE curriculum in line with key stage targets by use of training.
- ❖ Ensure the upskilling of teachers by engaging specialist coaches for the benefit of sustainability and future PE development.
- ❖ To add at least one new sport to the curriculum.
- ❖ To incorporate the Change4life programme for least active children offering after school clubs to promote an active, healthy lifestyle.
- ❖ Re-invest in Easington's SSP to consolidate the achievements of this year and to prepare for the Sainsburys School Silver Award.
